LAYING A NEW FOUNDATION

Change had occurred everywhere. Lives were in disarray. The town had been destroyed. The school's future was up in the air. The students then decided that they were going to keep the tradition of Elba High School going. It was just

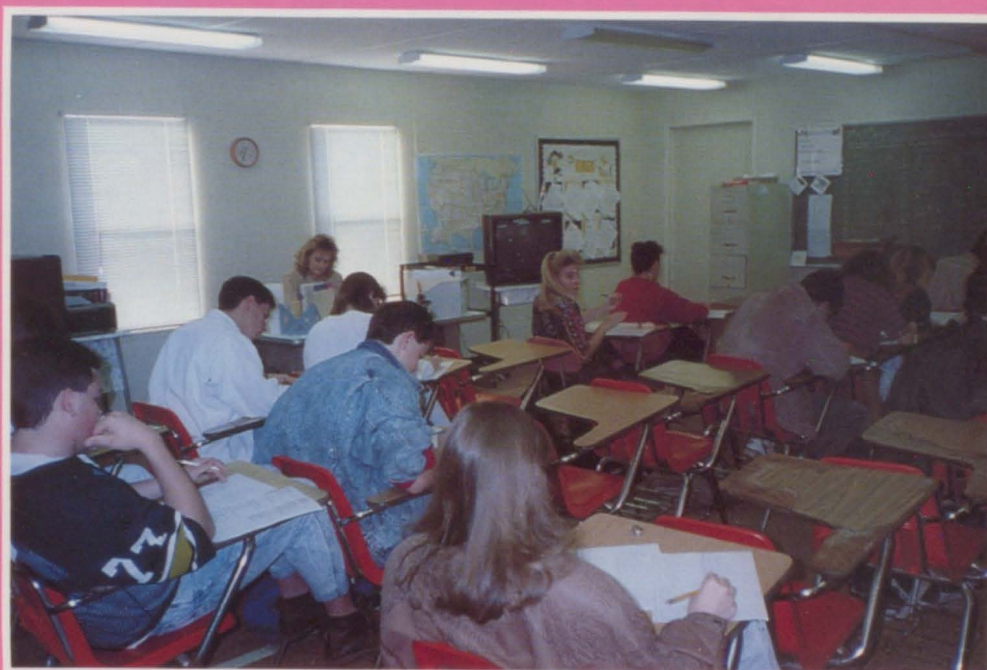

a question of Excellence.

As the Class of 1991 arrived at the new campus of Elba High School, each senior knew that every student had a tough road ahead. They knew that it was them, the Class of 1991, that had to renew the old traditions of Elba High School and start new ones. They knew that they would be the first class to graduate from Elba High School without attending a class at the "old school" on Collier Street during their senior year. After this day, the Class of 1991 came together and decided to help Elba High School in

Laying A New Foundation.

Above right Colonel Clark explains to his troops their strategy! No, seriously, the new school year brought a new principal to EHS. Mr. Clark, welcome! Mr. McCollough, we will never forget you. Thanks!!

Right Mrs. Cook's Spanish class works their fingers to the bone. Well, almost everyone.

Mack R. Wood
Overall: 184-72-3 At Elba: 120-42

"The athletic program in our school is a very important part of the education process. Naturally, academics come first. For the dedicated athlete, there can be a good relationship between the two as long as the athlete learns to budget his time and keep his priorities in order."

Coach Mack Wood

A Question Of Excellence In Academics, Sports, And Student Life

Academics at Elba High School have always been important. Quality teachers have taught goal-oriented students on a day to day basis. After the flood, the circumstances under which classes had to be attended, caused concern on behalf of parents, teachers, and students. However, the students and teachers of Elba High School decided to work together to promote academics and retain Elba's outstanding reputation.

Sports at Elba High School have dominated people's lives for years. Football has been a pride of the community and school for as long as people can remember. Since 1977, when Mack Wood came to Elba, the football team has dominated the ranks of 3-A and 4-A. Coach Wood has become the "Dean of Wiregrass Coaches" while producing several collegiate athletes.

Coach Kennedy explains in simple terms, "You ain't no quarterback!"

LAYING A NEW FOUNDATION

"Who hit me in the head with the ball?" asked Mrs. Berry.

Carring her over the threshold? No, he's carrying her over the mudhole!

"Oh, no! Not opossum again!"

The basketball program has grown to earn great respect from other teams under veteran coach Hank Kennedy. Coach Kennedy has built one of the finest programs in the state and has received the reputation of one of the best basketball coaches in the state. The baseball program showed great potential and talent under Coach David Lowery during the 1990 season. Coach Lowery has much knowledge about baseball and you can expect to see fine teams year after year.

The students, with the help of teachers and administrators, are the ones that have built and maintained the tradition and reputation of Elba High School over the years. They demonstrated this tradition and reputation everyday in everything they did. Whether it be classwork, sporting events, band events, or academic events, Elba students always excelled. Since the flood of 1990, the students of Elba High School have continued this tradition and reputation. The students, led by the class of 1991, refused to let this great tradition and reputation die. All parents, teachers, and administrators should be proud of these students for wanting to and continuing the tradition and reputation of Elba High School.

CAMPUS LIFE

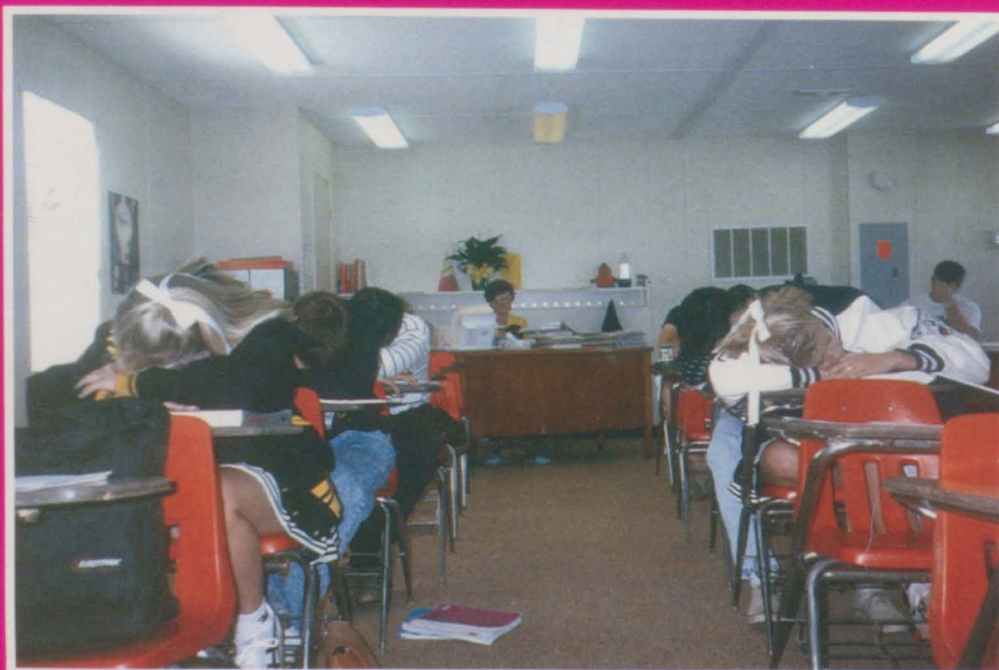

Going to school in "Trallerville" brought the use of cars as lockers.

LAYING A NEW FOUNDATION

Going to school in "Trallerville" brought many new changes in tradition, one of which was outdoor pep rallies.

Some students just could not get started on the first day of school.

NO, "TRAILER LIFE!"

Trailers, trailers, and more trailers. The new Elba High School — No one ever thought it would look like this one day.

Finally, no more opossum!!

Life In "Trailerville"

When students reported to Elba High School on August 21, 1990, they noticed a campus that was unlike any other in the state. This campus consisted of white trailers and clay dirt. There were no brick buildings to be found. For the first few days of school, the students thought that nothing could be worse than this temporary campus. However, as the rain poured, the clay turned to mud. As the day went along, the students got several showers that they did not want.

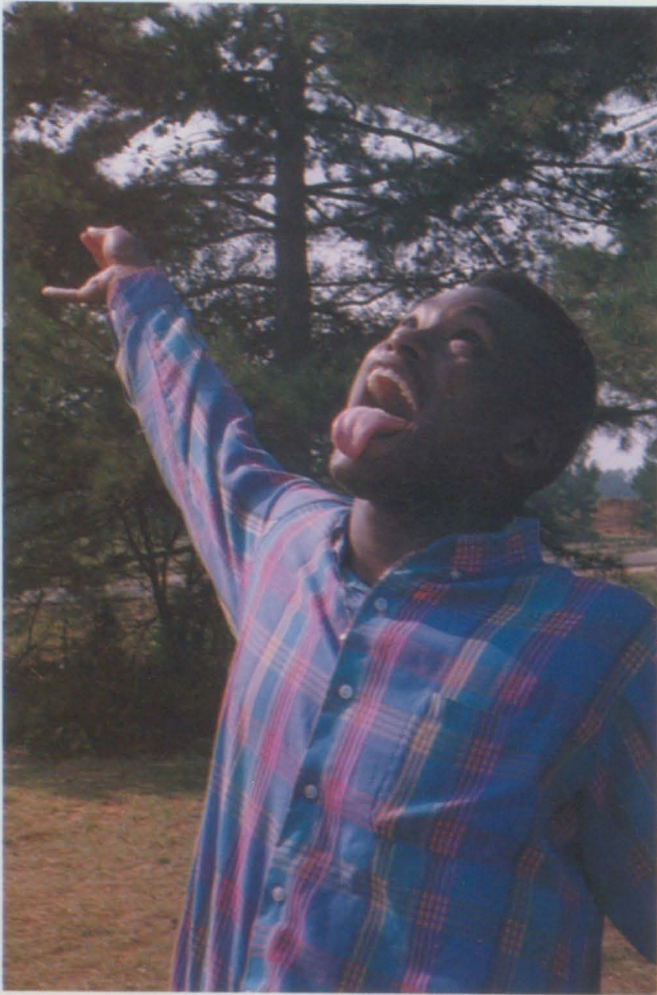

As the months passed, the students decided not to let mother nature ruin their education. The students could have easily let the weather disrupt the process, but they did not. The students felt too strongly about Elba High School. They believed in the tradition and emotion that exists at Elba High School.

This year, as you will see when you read this volume, was one in which change and sometimes doubt reigned supreme. The members of EHS certainly could have folded and succumbed to the depression that pervaded the air on certain somber days. But with the guidance and love given by parents and friends, and with a wisdom sent from God, the students pulled themselves together and forged a new era. The gap from the tragedy of the past to the hopes of the future was spanned this year, and by spanning that abyss all became heroes to each other.

Laying A New Foundation In "Trailerville"

LAYING A NEW FOUNDATION

The first day of school brought many questions, one of which was "How do you get the van out of the ditch?" The answer is the old-fashioned way ... PUSH!!!

Between the food and the mud, many students could not keep from losing control.

The umbrellas could not protect everything; as you can see, we are experiencing a muddy day in "Trailerville".

AGAINST ALL ODDS

Overcoming All Adversity

On March 17, 1990, the raging waters of Whitewater Creek and Pea River broke through the earthen levee and devastated the town of Elba. The flood waters damaged the city schools beyond reasonable repair. The students finished the last two months of school at the National Guard Armory.

As August rolled around, it brought a new group of seniors. This group of seniors felt that the flood had short changed them. It had made them be the first class since 1902 not to be able to attend a class during their senior year at Elba High School on Collier Street. But this group of seniors decided not to pity themselves and decided to be the group that brought all the student body together to rebuild Elba High School.

Seniors, Juniors, Sophomores, Freshmen, Eighth Graders, and Seventh Graders have joined the teachers and administrators in Laying A New Foundation!

LAYING A NEW

The most tragic thing to me was seeing the school in such a horrible condition once the water went down. I really loved the old Elba High School and if I had it back I would not trade it for the world.

David Rowe, Vice Pres.

The worst tragedy of the flood was the loss of our school. As a senior, I will not get to roam the hallways but I am looking forward to the future, to new and better things for the underclassmen.

Crystal Carpenter, Reporter

On March 17, 1990, a very tragic thing happened to my family. We lost our home and everything in it. We lived away from Elba for almost a year. Now, we are thankful that we can live in Elba once again.

Lateisha Jessie

FORGETTING NOT THE AND BUILDING FOR THE

I guess the greatest lessons the flood taught me were to value every day, to cherish every moment I have here, and to realize that personal possessions are secondary to personal relationships.

Rusty Bedsole, President

I feel that my seeing people lose everything that they have worked for all their lives, has helped me to understand to never be unappreciative or think that I'm better than anyone else. The flood let me know that you can lose anything at anytime and not be able to control the situation at all.

Derrek Stevens, Sec./Treas.

I now know that even the simplest and most basic things are a vital part of school. We can not dwell on the past, but we can look for a brighter future at Elba High School and the city of Elba as a whole.

Jamie Bas

I felt that most everything I had planned on doing as a career went down the drain, but I was just thankful for the people that had a hand in helping us get back in our house as quickly as we did.

Bennie Daniels

You often heard people complain about the food and administration, but you never heard a complaint about the facilities. Now we still have bad food and we're without our school.

Kyle Dubose

The most tragic part of the past year's events was losing my house, my school, and all of the things I grew up with and took for granted. You just never imagine that they can be taken away so quickly.

Kristi Oggs

TRAGEDIES OF YESTERDAY DREAMS OF TOMORROW

I have witnessed a growth of strength and character in everyone since the flood, and I believe that some good things have come from it. It has taught me that there is no tragedy too great to overcome.

Stacey Knight

The actual school building being taken away by the flood has made me come to realize that I never knew how much I appreciate things until they're gone. I'd give anything to be able to walk those halls my senior year.

Ashley Oglesby

The flood washed away our school, but not the memories. In the process, I learned that Elba High School is not the school itself, but the people that belong to it.

HOMECOMING

The Homecoming Court of 1990. Seven young ladies were honored by the student body of EHS, and rode in the 1990 Homecoming parade. Congratulations to you all!

As Homecoming 1990 arrived, so did the fun of making floats. As the eighth graders would tell you, it's always TIGERTIME!!

This float represented an emerging star in Hollywood. Bart Simpson was shown supporting the Tigers. Great job ninth graders!

1990

DIFFERENT BUT BETTER

The Cub Scouts happily took part in this year's homecoming parade.

"RAP" Rehobeth was the theme for this homecoming float. Mrs. Bandstra really looks like she is having a great time.

Homecoming 1990 was one of the best ever. Though it was different, it was a homecoming we will never forget. The entire week was filled with fun and laughter. The cheerleaders held their "dress-up week" and a great deal of the student body and the teachers participated. For the first time ever the seniors participated in the homecoming pep rally. They sang "Friends," "Foggy Bottom," and "Seniors, Seniors, Baby." The parade followed at 4'clock. The homecoming court and pageant winners were all smiles, the cheerleaders were all yells, and the band was all music. Everyone seemed to have fun even though we were still in suspense about who our homecoming queen was. It had been decided earlier to wait until Friday night to announce the queen. Another thing that was different was we did not get to have a daytime coronation. That is the time when the entire school gets to see the homecoming court and their escorts on the football field. We had to make that sacrifice because of the present situation. Normally, we would just walk to the football stadium, but this year the stadium was miles away and there was no way possible for all of us to get there. We will never have another daytime coronation at the old stadium, but our memories of the past daytime coronations will always be a part of us, just as Homecoming 1990 will.

1990 HOMECOMING QUEEN SUSAN DAPHNE JOHNSON

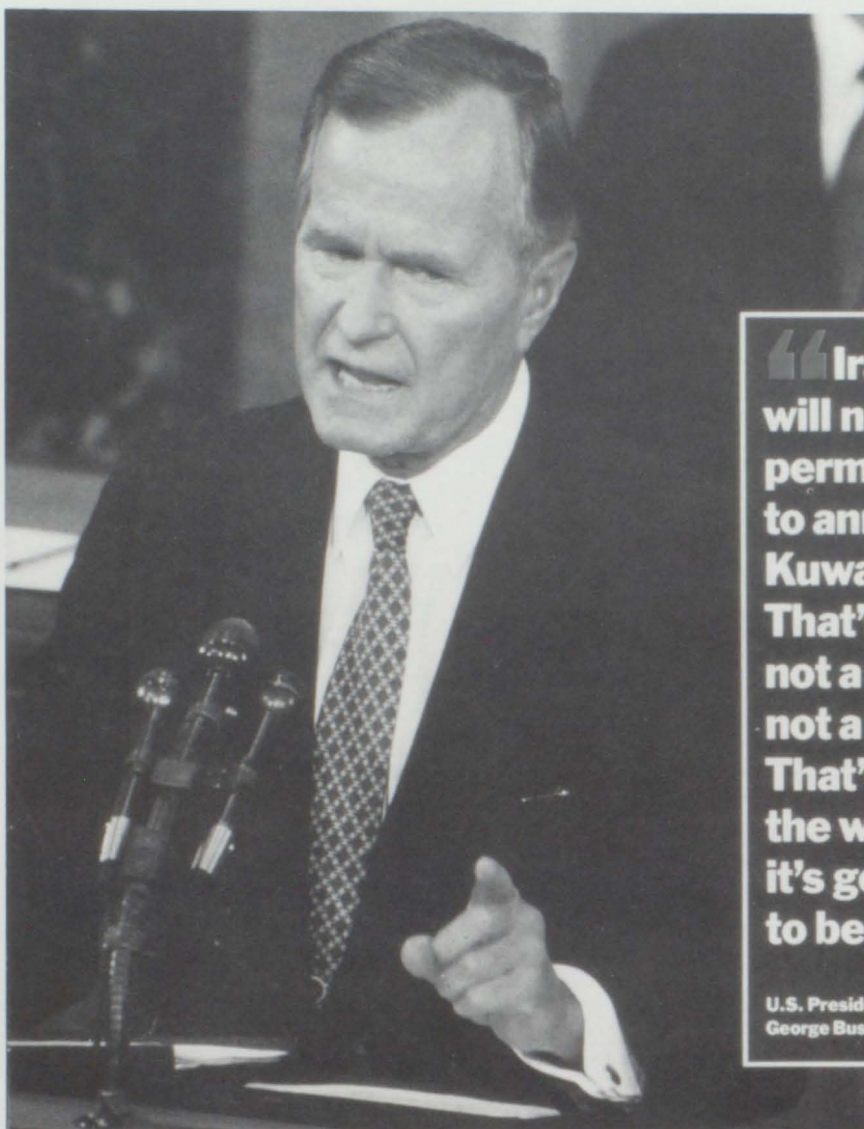

On October 19, 1990, seven lovely young ladies reigned over an excited homecoming crowd. The homecoming court did not know who had won, but the girls were all smiles. At the football pre-game show, our homecoming queen was announced: Miss Susan Daphne Johnson, daughter of Mr. and Mrs. J.L. Johnson. She was a member of the Senior Beta Club, Mu Alpha Theta, Elbala Staff, Tiger Tales Staff, E-Club, Girl Scout Troop #300, Captain of the Varsity Cheerleaders, DAR Good Citizen, and Coffee County DAR Good Citizen. The students were very proud to have Susan serve as their 1990 Homecoming Queen.

1990 HOMECOMING COURT

The 1990 Homecoming Court was somewhat different this year. There were seven girls honored instead of six. Three girls were nominated from the senior class. One would serve as Homecoming Queen and the other two as alternates. A junior attendant, sophomore attendant, freshman attendant, and black attendant were also chosen. These seven young ladies were chosen by their fellow classmates to serve on the Homecoming Court: Susan Johnson was chosen as Homecoming Queen, Kenya Hammond — first senior alternate, Tonya Bryan — second senior alternate, Nicole Bradley — junior attendant, Heather Stinson — sophomore attendant, Holly Stinson — freshman attendant, and Lawanda Rodgers — black attendant.

IN WORLD AFFAIRS

Many changes occurred between August of 1990 and the first few months of 1991. The world was touched by the unification of Germany, though many historians worried that a united Germany could cause international problems in the future. Only a test of time shall tell the fate of this proud nation. Margaret Thatcher's fall from power in England shocked the world and ended the reign of one of the most powerful British Prime Ministers ever. The war in the Persian Gulf emphasized to what extent countries will go to preserve freedom.

On August 2, 1990, Saddam Hussein ordered his troops to invade the country of Kuwait. After this invasion Saddam Hussein focused his attention on Saudi Arabia. This worried many world leaders because of the huge oil reserves located there. Upon Saudi Arabia's request, President Bush deployed U.S. troops to defend Saudi Arabia under code name Operation Desert Shield.

After months of diplomatic effort to resolve the situation, and twelve United Nation resolutions ordering Iraq to get out of Kuwait, President Bush delivered an ultimatum to Saddam Hussein. The ultimatum was to withdraw from Kuwait by midnight January 15 or be forced out. Saddam Hussein refused and on January 16, the United States went to war with Iraq.

After five weeks of an intensive and destructive air campaign, President Bush ordered ground troops to force the rest of the Iraqi troops out of Kuwait. On February 27, President Bush declared victory. As a result of this victory, President Bush has established the United States as the dominant force for freedom.

Miss Elbala 1991

The Elbala Staff "Laid a New Foundation" this year by changing the pattern Miss Elbala has previously followed. Due to the absence of a proper facility in Elba, we decided to hold the pageant in Enterprise at the Enterprise High School auditorium.

For years, the Elbala pageant was open only to girls who were nominated by their classmates. We felt the pageant had turned into a popularity contest, and after much deliberation decided to change the rules of nomination.

The pageant was open to any girl in grades 10-12 who was interested in entering the pageant. Each girl submitted her name to be voted on by her classmates. This enabled a wider variety of girls to have a chance to participate.

At this time, the only worries for the participants were "what will I wear and who will do my hair and make-up?" On the other hand, the staff was hustling and bustling daily. We had to decide on a theme for the pageant. We received many ideas and suggestions, but nothing seemed to be what we were looking for. After many days of deliberation, it finally came to us. Rather than having a theme, we would dedicate our pageant to the troops overseas. This seemed to be the main topic on everyone's mind, so why not honor our troops and show our support through our pageant? Decorations consisted of red, white, and blue balloons accented with yellow ribbons. The Alabama and American flags served as center points on the stage.

Everything seemed to be coming together, and the time had come to select judges. After many phone calls, our decision was made. Gayla Alferd and Cynthia Barnes of Geneva County and Barbara Cole of New Brockton would be our panel of judges.

The program began at 7:00 p.m. on January 10, 1991 with Derrek Stevens serving as emcee for the pageant. After the girls were presented in a parade of beauties and individual walks, the judges took a brief intermission to decide on 15 semi-finalists. Entertainment was provided by Jamie Bass, Paige Merritt, and a group of singers including Eric Culver, Tim Caldwell, Kevin Barnes, and James Jones. After the semi-finalists were presented again, the judges recessed to make their final decision.

Mandy Shirley was named 4th runner-up, Susan Johnson 3rd runner-up, Heather Stinson 2nd runner-up, and 1st runner-up was Vanessa White. Amy Baker was named Miss Congeniality. Leah Crowe, the daughter of Dale and Nancy Crowe, was crowned Miss Elbala 1991.

Anita Wallace

NATIONAL PEANUT FESTIVAL PAGEANT

Miss Elba, Anita Wallace, was named first runner-up in the Miss National Peanut Festival on October 20, 1990, at the Dothan Civic Center. There were four areas of competition, including portfolio, written communications, verbal communications, and evening gown. Anita was selected as a top ten finalist from a field of thirty-six young ladies representing the wiregrass area. She was chosen as the winner of the evening gown competition and received a silver tray for that honor. After receiving the title of first runner-up, Anita was offered a one year scholarship to Troy State University. She is the daughter of Mr. and Mrs. Paul L. Wallace.

COFFEE COUNTY YOUNG WOMAN OF THE YEAR PROGRAM

The Coffee County Young Woman of the Year scholarship program, formerly Junior Miss, was held on Saturday, July 21, at 7:30 p.m. at the Enterprise High School auditorium.

Fourteen young women from Enterprise and Elba competed for the title of Coffee County Young Woman of the Year.

The program emphasizes excellence in personality, physical well-being, creativity, and human relations. Half of the judging procedures were done "behind the scenes" in scholastic achievement and panel evaluation. Onstage presentations of creative and performing arts, physical fitness, poise and appearance made up the final fifty percent of judging.

Charla Pearce, the daughter of Mr. and Mrs. Charles Pearce, was chosen as first alternate. She was the recipient of the Scholastic Achievement Award, which included winning a one year renewable scholarship to ESJC and a \$400 cash scholarship to the school of her choice.

BAND DANCE

The annual band dance was held February 16 at the National Guard Armory. This event was sponsored by the Elba Band Boosters to celebrate the accomplishments of the Marching Tiger Band. The theme for the dance was "Ice Castles". The D.J. was "The Music Doctor" a former student at E.H.S.

The Elba Marching Tiger Band began band camp in August 1990, knowing a long hard road lay ahead of them. They had a decision to make: either put this band program back together or do away with the program for this football season. They chose to put the band program back on its feet. Things were by no means easy. Horns had to be prepared, music and drill had to be written, but the determination, pride, class, and will to do well drove them on. Time passed and the band became better and better. However, the real test came when contest season started.

The first contest was in Prattville, Alabama. Feelings of anticipation and nervous tension filled the air. After the performance there were tears of joy shed for a job well done. The trophies received would start a new collection, for the ones from previous years had been destroyed.

The second contest was at Midville, Alabama. The same effort was put into the show and the band came home proud with their heads held high, and this proves that the Tiger Pride which is in each band member's heart drove them on to be the best they could possibly be.

CHEERLEADING

Head coach Mack Wood has been with the Tigers for the past thirteen years. During this time he has led the Tigers on eight playoff trips, three trips to the championship game, and their FIRST STATE CHAMPIONSHIP.

Coach Hank Kennedy has been a member of the Tiger family for eight years. He is an assistant coach in charge of offensive and defensive backs. Coach Kennedy also serves as head basketball coach for the Varsity Basketball Team.

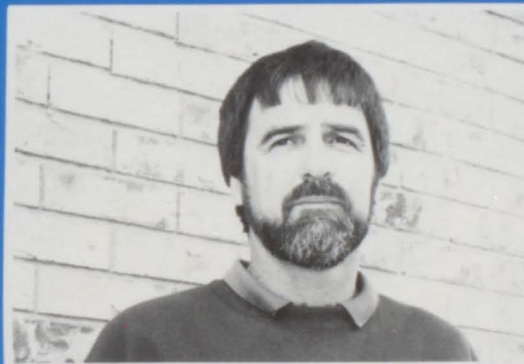

Coach Leavy Boutwell is a former Elba Tiger who has returned to his Alma Mater as an assistant coach. Coach Boutwell works with the offensive linemen. He also helps coach Varsity and B-Team Baseball. Welcome home Coach!

Coach David Lowery is back with the Tigers for a second season. Coach Lowery is in charge of the linebackers and ends for the football Tigers, and also serves as head coach for the Varsity and B-Team baseball Tigers.

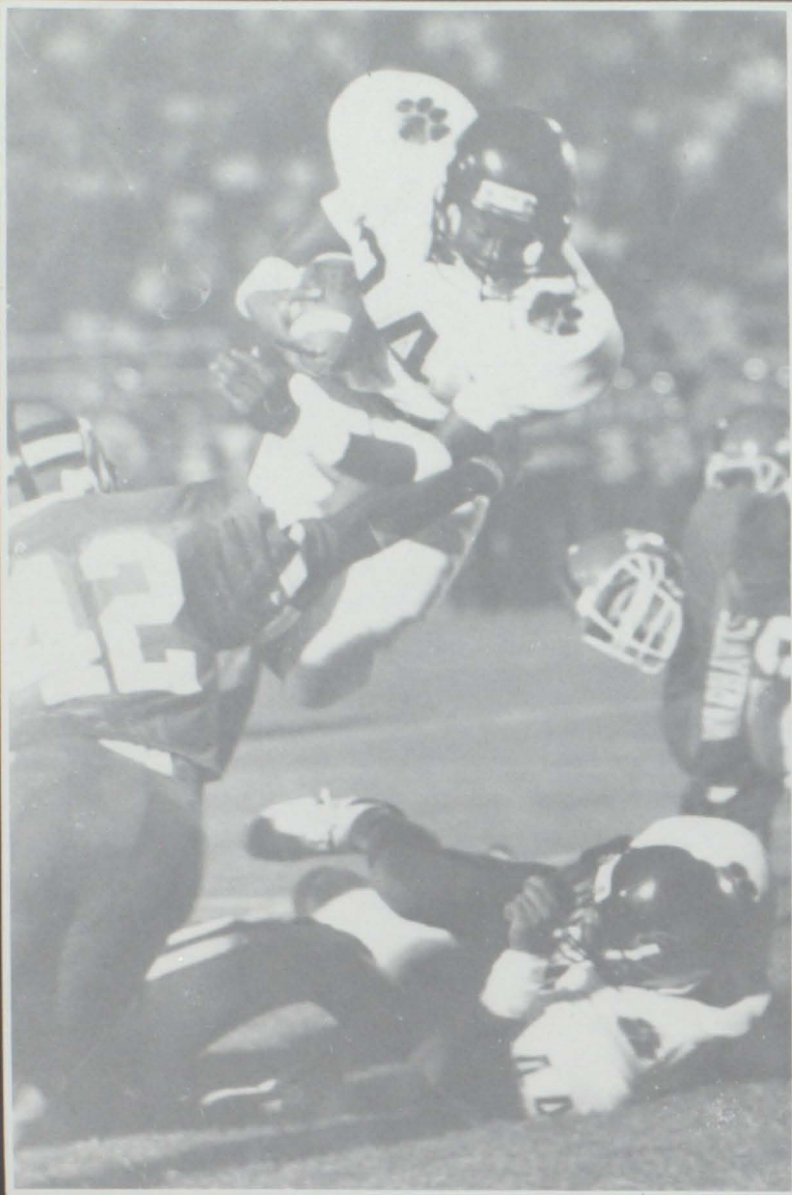

Coach Bill Rayborn has many jobs at E.H.S. As assistant coach for the Varsity football Tigers, he helps the defensive line. Coach Rayborn is also the head coach for the B-Team basketball Tigers.

Coach Kevin Killingsworth has been working with the Tigers for the past three seasons. Coach Killingsworth goes to school full-time during the day and still finds time to come home and coach the linebackers.

The Tigers claimed their first victory of the season when they defeated the Louisville Red Devils.

*Elba 12
Louisville 7*

Top: The defense takes a time out to rethink their strategy. Right: Joel (12) gets the ball off under pressure. Bottom: A Red Devil breaks through to stop Jamie (42).

The Tigers opened the 1990 season with a loss to the Daleville Warhawks. It was not an easy victory for the 4-A Warhawks however, and the Tigers threatened a comeback late in the fourth quarter.

*Elba 6
Daleville 10*

Top: David (24) leaps over defenders for maximum gain. Right: Kassey (80) stops a Warhawk in his tracks.

The pressure of two area games in a row didn't slow down the Tigers. They put Luverne in their place to claim a second area win, and win number two for the season.

**Elba 12
Luverne 8**

Top: Shane (40) finds a hole and takes off for the first down. Left: Ronald (44) breaks away and carries for a big gain. Bottom: Luverne can't do anything against the siked-up Tiger defense.

The Opp Bobcats talked it up big, but once again it proved to be all hot air. The 5-A Bobcats couldn't handle the Tigers' aggressive style and determination. The Tigers' winning streak continued.

**Elba 34
Opp 8**

Top: Try as they might, the Bobcats can't get through the line to stop Shane (40). Bottom Left: The Tiger defense can't be stopped. Benny (65) and Ronald (44) take down a Bobcat. Bottom Right: Joel (12) gets it off without a hitch.

Elba traveled to the Bulldog Stadium to take on the fighting Pike County Bulldogs. In the end the Tigers came up short. Pike County 19-Elba 10. Jamie (42) breaks through an open hole for a big gain.

Benny (65) and Marvin (85) crunch a Pike County runner for a loss.

Jamie (22) helps the Tigers out by kicking a 33 yard field goal.

Jamie (42) runs straight up the middle dragging a Georgiana player and fighting for the first down marker.

Elba defense combines to stop a Georgiana runner.

Elba played Georgiana for the first time ever this season. David (24) turns the corner and turns his jet on as Juan (74) throws a block.

At halftime the Tigers led by 6-0 over an easy opponent, causing the loyal fans to boo the team as they left the field. This sparked the Tigers desire to play harder. Elba 26-Rehoboth 7.

Greg (47) breaks through a hole made by Anthony (32) and takes it on in for the score.

John (15) fights for extra yards, while David (24) and Chris (32) watch the action.

Elba traveled to Monroe County, a big 5A school, for the first time this season. In the end the Tigers destroyed Monroe County's Homecoming. Elba 35-Monroe County 15. John (15) keeps the ball and heads up field.

Ronald (44) intercepts a Monroe County pass and heads back up field for a big gain.

Ronnie Joe (55) shows his strength and power by yanking down a Monroe County runner.

Many scenes from the Tigers' thrashing of the Andalusia Bulldogs remain embedded in the mind: Gary (71) floors an Andalusia runner as teammates close in; David (24) turns the corner and turns on the Jets as he races toward the goal-line; Coach Kennedy and Rusty (79) talk strategy as they survey the Tiger romp. Elba 47 — Andalusia 18

The mighty Tigers traveled to Red Top country to do battle with a area rival, the Slocumb Red Tops, Bryce (78) stops a Red Top runner in his tracks; Marcus (23) looks for running room; Shane (40) leads the way for Greg (47) on a big gain. In the end the Tigers reigned as Area 1 Champions with a 13-0 win over the Red Tops.

The Elba Tigers entered the state playoffs with a five game winning streak and hoping to claim a second straight state title. As the Tigers stormed into Miller Memorial Stadium, they planned to blow the Hurricanes back to Flomaton. The Tigers played "follow the leader" instead of leading Teddy (33) down the field. Late in the game, "Downfield Dawson" (31) intercepted a Flomaton pass. Elba 49 Flomaton 0.

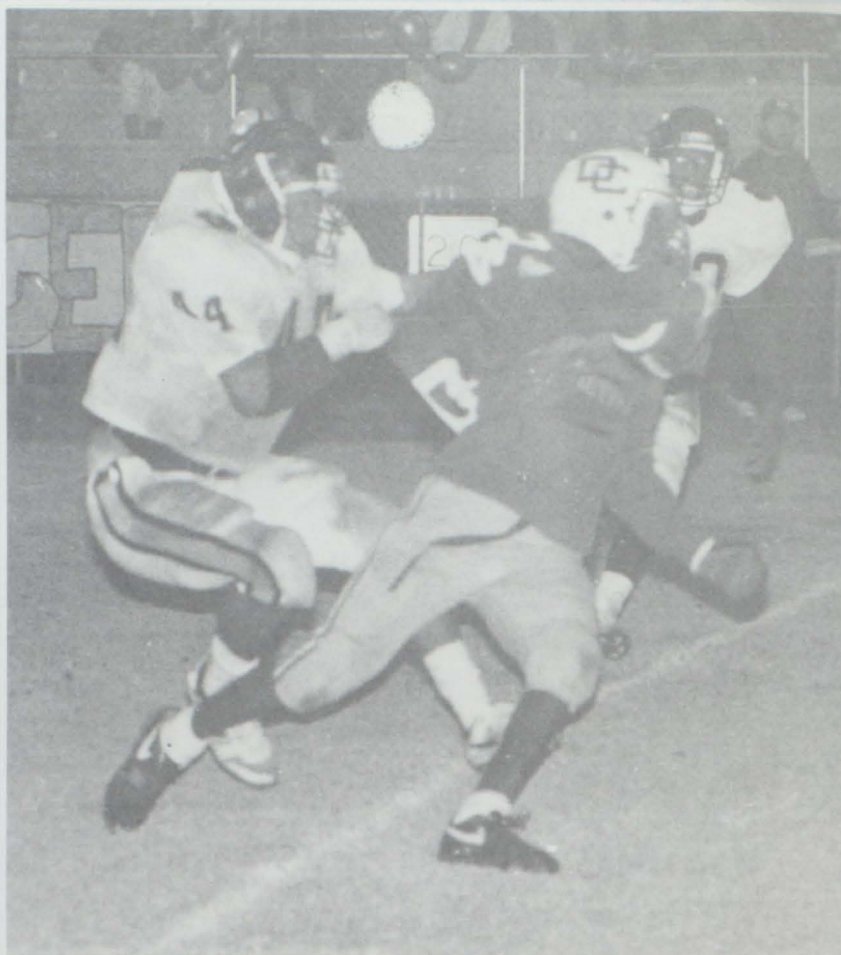

The second round of the state playoffs brought the Eutaw Vikings to town, in hopes of upsetting the mighty Tigers. This was not to be true. Greg (47) dives for extra yardage. Shane (40) bulls over for a T.D. as Rusty (79) leads the way. David (24) turns the corner on a reverse and heads upfield.

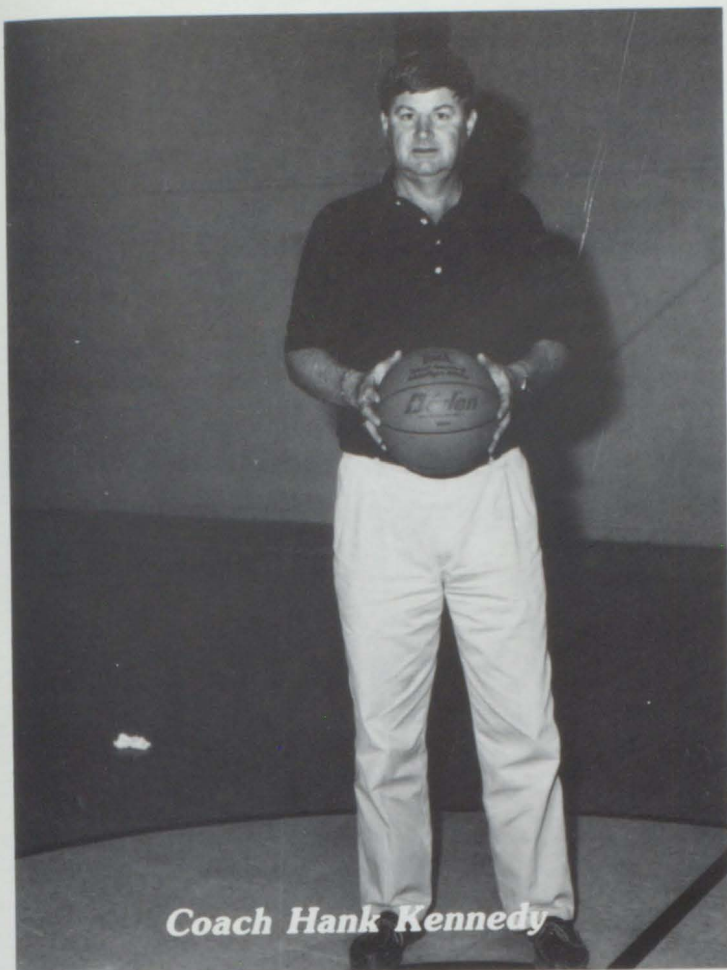

For the first time in the state playoffs, the quarter finals sent the Tigers on the road to Plantersville to do battle with the Dallas County Hornets. It was a very cold and chilly night, on and off the field. The Tigers were plagued with mistakes and bad breaks all night long. Even though the Tigers were unable to get on track that night, this could not take away the heart and desire of the Tigers to win. Though ending on a disappointing note, the season was certainly a great success. Having to overcome temporary locker room facilities and the danger and aggravation of traveling to practice everyday, the entire team showed a sense of class and pride found in generations of Tigers. This team shall always be remembered for its fighting spirit and huge heart. Elba 0 Dallas County 12.

Ronald (44) yanks down a Dallas County runner as Marcus (23) closes in with the white-eyed gaze. Marcus (23) and Shane (40) get a grip as teammates close for the kill.

Coach Hank Kennedy

Coach Hank Kennedy coached the 1991 E.H.S. basketball team to a 21-5 record. Coach Kennedy topped all previous records and was named Enterprise Ledger's Coach of the Year.

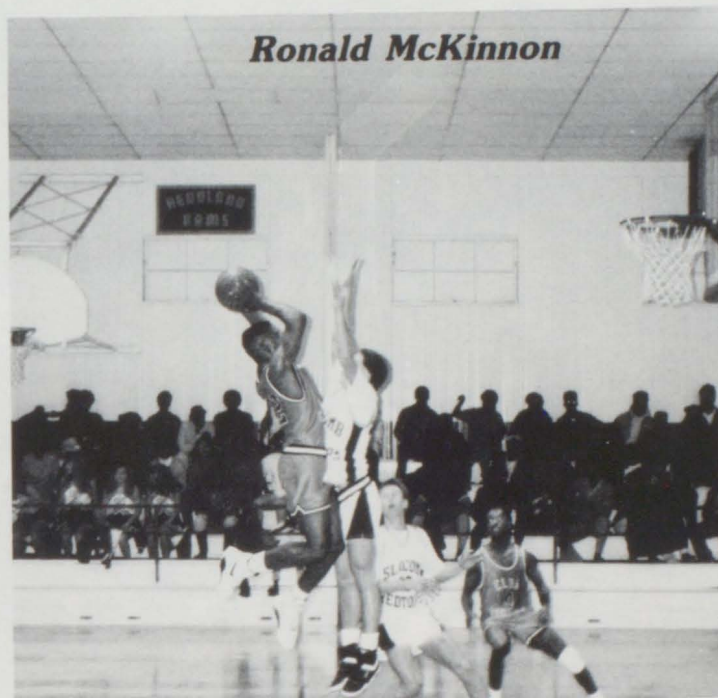

All Area And All State

Bennie Daniels, a dazzling and confident shooter, led his team in scoring with a 28.5 point average per game. Bennie was honored as the Enterprise Ledger's Player of the Year, the Dothan Eagle's Super "12" team, and 2nd team All-State.

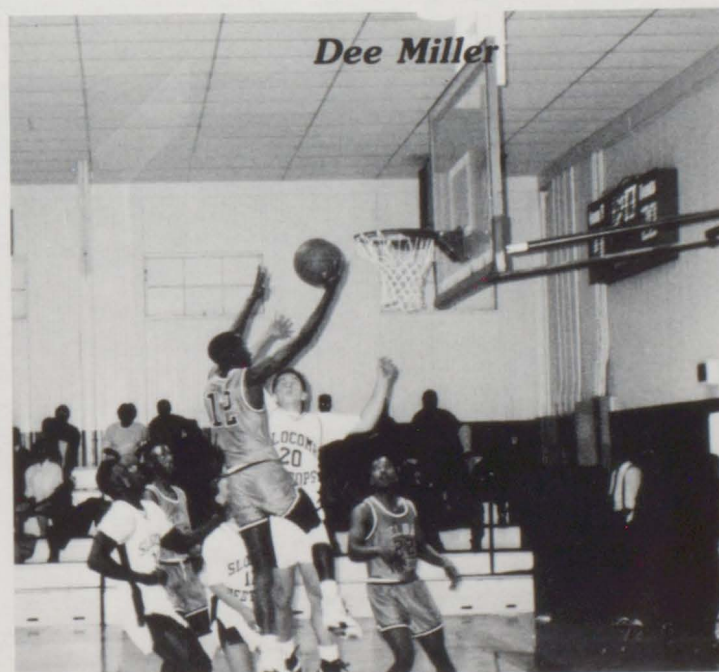

Ronald McKinnon, a senior guard, battled defensively against the top offensive players of the opposing teams. Ronald was selected to the Enterprise Ledger's All-Area Team. Dee Miller, a junior forward, burned the net for 13.4 points per game during the 1991 season, helping the Tigers win the Class 3-A, Area 2 title. Dee was also selected to the Enterprise Ledger's All-Area Team.

Because of recent adversity, many aspects of our daily lives had to be changed. There was no better example of this than the 1990-91 Varsity Basketball Tigers. Having no gym to call their own, it looked like they would have to play all of their games away. The generosity and friendship of the athletic department at ESJC, however, made it possible for the Tigers to not only have "home" games but also to feel at home. This act of kindness "laid a foundation" like no other. Friends helped friends to make it through, and to have a successful season.

The "Triple Crown" is a term usually used in horse racing, but for the first time in the history of Elba High School this term can be used in reference to sports. The baseball team won the Area Championship with a win-loss record of 16-8. The team advanced to the quarterfinals of the state play-offs, only to be defeated by Elba's old nemesis, Holtville, who has defeated Elba in football, basketball, and baseball each time Elba has played them.

By graduation, five athletes had received scholarships, making it a banner year in this area. Football — Ronald McKinnon to the University of North Alabama — Basketball — Bennie Daniels to Grayson Junior College — Baseball — David Rowe to Enterprise State Junior College — Softball — Susan Johnson and Kenya Hammond to Enterprise State Junior College.

The Girls Softball team was definitely a new foundation for E.H.S. This group of hard working young ladies set a precedent to be built upon in the future. Though it did not appear so, with a record of 13-15, this was a group of winners. Never dropping their heads or giving up, simply the fact that they existed was a victory.

The 1990-91 Varsity Cheerleaders laid a new foundation this year by increasing the number of members from eight to twelve. The squad found that with more members, they could be more versatile. The changes they have made are very promising and may have begun a foundation that can be built upon in the future.

Fifty-fifty, half and half, a record of 500, are ways to describe the Junior Varsity Football Tiger's year. While the season may have been disappointing, it had its moments. No one will forget such plays as the long run, by Tony Hooks, which resulted in a fumble. Those who have played J.V. sports realized how important they are in laying a foundation not only for varsity competition, but also for life.

Coach Phillips talks to his team during time out.

The Elba Junior High Tigers had a very successful season with a 14-0 regular season record. It was a record breaking season for the Tigers. They scored 107 points against Dolphin Junior High School, the most points scored in the Elba Junior High history. This was the first Junior High team in Elba's history to be undefeated. Elba was lead in scoring by David Yelverton, who averaged 19 points per game. Elba completed its season in Montgomery in the State Invitational Tournament with a disappointing loss, the only blimish on the Tigers record. The players hated to lose, but it was a very good learning experience. In closing, I would like to say this is a very good bunch of young men to work with and I will always remember them.

J.V. CHEERLEADERS

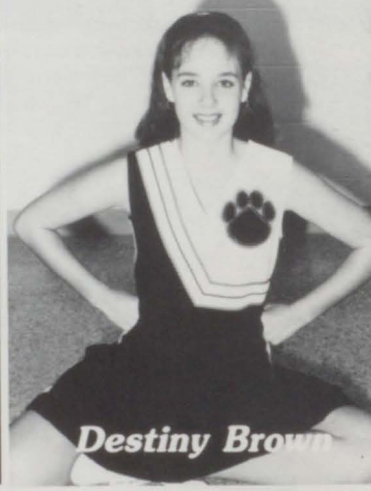

The 1990-1991 Junior Varsity Cheerleaders also increased in number this year. These twelve young ladies put in a lot of hard working hours preparing for J.V. football and basketball games. They truly exemplified the pride and dedication felt for junior high sports at E.H.S.

THE END OF A SEASON

As the end of the sporting season came to a close, disappointment spread over the Tiger team, for another bitter loss had to be swallowed. It was a sad time for all as memories made on the playing fields would now cease to be formed. The Seniors, such as Shane, had a difficult time accepting not only the close of the season, but also the end of their entire careers. Yes, emotions ran high as a lifelong dream faded into the night. Looking back, however, the 1990-1991 Elba High School athletic teams had much to be proud of. Being area champions, advancing to the quarterfinals of the state play-offs in all three major sports, and initiating a girl's softball team which won 13 of the last 18 games in their initial season, all Tiger teams certainly accomplished much. The Seniors could be proud of all their victories. By winning a state championship the previous year, dealing with the adversity of the flood, and showing leadership, the Senior athletes wore the Black & Gold with dignity. Though the season ended in disappointment, the athletic year was a definite success, and we congratulate all our athletes.

MISS SPRING BREAK

Miss Spring Break — Rona McKinnon, 3rd Runner-up Joanie Jacobs, 2nd Runner-up Davina Rowe, and 1st Runner-up Shannon Blanton.

Elba High School athletes are not only talented on the athletic fields, but possess many abilities and traits, among them a sense of humor and extreme loyalty. The athletes displayed these characteristics in the Spring of 1991 as many of them entered the 1st annual "Miss Spring Break" pageant. Sponsored by the annual staff, who at the time was in desperate need of money, this pageant served as a sister pageant to the Miss Elba pageant, and as an outlet for all aspiring males to take center stage. Attended by the entire student body, the pageant was a smashing success, and once again Elba High athletes were involved in a trend-setting performance. The contestants and their given names are as follows: Todd Killingsworth — "Trudy", Rusty Bedsole — "Rose", John Jacobs — "Joanie", Ronald McKinnon — "Rona", Shane Blanton — "Shannon", Kyle DuBose — "Kayla", David Rowe — "Davina", Charles Smith — "Charlotte", Chris Tidwell — "Christina", Marvin Luckett — "Mary", Jim Goodson — "Julie", Curtis Smith — "Coretta", Juan Carpenter — "Juanita", Danny Belcher — "Dannette".

CENTRAL OFFICE

Charles Pearce — Superintendent

"A new foundation was laid" in the Elba School System, with a new administration. Mr. Charles Pearce, a former teacher, was named new superintendent. Mr. Charles Clark, a retired colonel, was named as the new high school principal. Mr. Mack King, a former teacher, became the new assistant principal of E.H.S. Mrs. Sarah Sharpless returned from retirement, to serve as the elementary school principal. Mr. Dale Crowe was moved into the newly created position of assistant principal at the elementary school. Mrs. Harriett Boyd, a former teacher, was chosen to fill the new position of guidance counselor at the elementary school.

John Windham — Special Ed. Coordinator

Mickey McCollough — CNP Coordinator

Sylvia Brown — Bookkeeper

SUPPORT PERSONNEL

The Cafeteria Staff plays an important role. These ladies greet us with a smile each and every day. They also prepare for us a well balanced meal, so that we can enjoy the rest of the day.

Top Row: Mary Drewery, Ada Knight, Rhonda Eubanks, Betty Coon — Manager, Lessie Harrison, Vera Nell Bragg, Luvenia Bludsworth
Bottom Row: Rushia Culver, Louis Cole, Judy Watson, Jean Harrison, Margaret Bimbo — Manager, Neomi Smith

These bus drivers play the role of connectors. They are the link between home and school. They take the responsibility for seeing that each child gets a safe way home. They also provide transportation to and from extra-curricular activities.

Vera Nell Bragg, Mavis Burch, Dixie Davis, Doris Mallory, Lamar Wilson Supervisor, Ronnie Jinright, Ernest Ellison, Leonard Cook, Not Pictured, Sue Boggan.

Nathaniel Russell, Anyce Coleman, Bobby Gully, William Thigpen

Maintenance Supervisors serve a big role at our school. They provide us with a clean environment so that we can feel good about our school.

FRIENDS DON'T LET FRIENDS DRIVE DRUNK

As part of the SADD program, the students of Elba High School have pledged:

- 1. To help eliminate the drunk driver and save lives.*
- 2. To alert and inform students of the dangers of drunk driving.*
- 3. To help students deal with peer pressure which too often promotes reckless and drunken driving.*
- 4. To organize a peer counseling program to help students who may have concerns about alcohol.*

LAYING A NEW FOUNDATION . . .

On Thursday, March 21, 1991, the Elba City School System held the groundbreaking ceremony for the multi-million dollar school complex. This complex is being constructed to replace the schools devastated by the flood of 1990. The new facilities are scheduled to be ready for use by the 1992-93 school year. This complex will be, according to the architects, one of the finest in the nation.

Pictured above is an aerial view of the new school complex. At right, state and local dignitaries along with the Junior Class President, Tommy Young, and the Senior Class President, Rusty Bedsole, are shown "breaking ground."

HONOR'S DAY

Fifteen of the honor students are shown here wearing their honor cords. To be an honor student you must maintain an A average.

Markell Adkison received an academic scholarship to ESJC.

Honor's Day at Elba High School was held on May 14, 1991. Enterprise State Junior College awarded academic scholarships to Markell Adkison, Tonya Bryan — Brunson Memorial, John Jacobs, and Derrek Stevens. Troy State University awarded a full tuition leadership scholarship to Stacey Knight, Amy Osburn — George C. Wallace Scholarship, Anita Wallace — one-half tuition scholarship. The University of Alabama awarded the Coffee County Alumni Chapter Scholarship to Jim Goodson. Samford University awarded a full tuition scholarship to Rusty Bedsole. At the conclusion of Honor's Day, Mr. King introduced the honor graduates. They are Stacey Knight — valedictorian, Rusty Bedsole — salutarian, John Jacobs, Derrek Stevens, Markell Adkison, Jim Goodson, Charla Pearce, Amy Osburn, Eddy Disotell, Tonya Bryan, Susan Johnson, Kenya Hammond, Anita Wallace, Regina Kelley, Kristi Oggs and Patrease Pruitt.

"JEWELS BENEATH THE SEA"

Who has ever heard of the "Jitter Bug?" Those of us in our teen years are more familiar with dances named the "Electric Slide" and the "Running Man". It was an "experience" to watch our principal, Mr. Clark and his wife dance the "Jitter Bug".

This year's prom was held on May 17, 1991 at the Lake Lodge in Fort Rucker. The theme of the prom was "Jewels Beneath the Sea." Upon arrival at the prom each junior, senior, and their date signed-in and then walked through a shimmering archway into a room filled with seashells.

The prom began at 7:30 P.M. and at 8:30 the "Lead-Out" occurred. The Junior and Senior class officers and their dates were presented. By 11:30 another prom had ended and more memories had been made.

POST PROM BREAKFAST

The Senior Breakfast was held at Hawkins-Williams Park. The seniors and their dates partied to the music of "Silverado" until 1:30 A.M. The seniors were presented with t-shirts with their motto printed on the back. The senior parents, the seniors, and their dates had a wonderful time.

The Junior Breakfast was held at the Elba Country Club. Pizza was served and each junior was given a t-shirt.

At right — Todd and Leah enjoyed the Senior Breakfast.

GRADUATION

THE END OF A "UNIQUE" YEAR

Everyone looks forward to becoming a senior. This is supposed to be the best year yet. We were determined to make it a great year. There was no need to feel sorry for ourselves, so we came together as a class and dedicated ourselves to making it a great senior year.

Baccalaureate was held on May 26, at the Assembly of God Church. It was sponsored by the Elba Ministerial Association. The tradition of a senior chorus was revived. The thirty-five seniors in the chorus sang "My Tribute" and "Friends," a song which is very special to this senior class.

The following Monday, the seniors prepared to practice for graduation. Because of threatening weather the practice was held at the Assembly of God Church. Instructions were given for a graduation exercise in both the church and the stadium.

By Friday, the weather had improved and we realized we would at last get to follow one tradition which meant very much to us. We would have our commencement exercises at Miller Memorial Stadium. At the beginning of the commencement exercises, Supt. Charles Pearce spoke to seniors and expressed his gratitude for the leadership displayed in accepting and coping with the destruction of past traditions and laying the foundation for new ones. Supt. Pearce also remarked upon the uniqueness of the 1991 senior class. He stated that this class had an experience unlike any other class has had and he stressed that the class should take the experience and never forget what had been learned from it.

The class valedictorian, Stacey Knight, summed up the sentiments of the 1991 seniors in the conclusion of her speech when she said, "... We will leave this place forgetting not the tragedies of yesterday and building for the dreams of tomorrow."

The 1991 Elbala staff started the year filled with ideas! Once the ideas were discussed, accepted, rejected, debated, and finally compromised, we took what worked best and built upon it.

You do not realize, until you work on a yearbook, what is actually involved. The best pictures taken may be overexposed, or blurred. Information is sometimes lost, incorrect, or suffers a typing error. Names can be spelled and misspelled. We decided we wanted to include every student in some way, but we realized some were omitted.

We had great plans for making our book totally different. Then we began to realize how expensive publishing a yearbook could be. All the extras cost extra.

The staff consisted of 17 seniors determined to overcome all adversity to produce the type of quality yearbook that Elba High School had become accustomed to. Financial difficulties, as a result of the flood and recession, posed numerous obstacles to the yearbook staff throughout the year. However, this staff displayed character and integrity which laid a foundation for future staffs.

EDITOR'S NOTE

As the 1990-1991 school year comes to a close, another group of seniors will leave to enter the "real world" of college and life. The Class of 1991, confronted with adversity from every direction, overcame the adversity by establishing new traditions and setting new precedents that will continue with Elba High School for years into the future. To be the first seniors, since 1929, to graduate without attending classes at Collier Street, the Class of 1991 made this past year one that can never be forgotten. The process of rebuilding Elba High School brought this group of seniors closer than they had ever been. As Editor of the 1991 Elbala, I have enjoyed working with the students of EHS, the faculty, the administration, but most of all the staff. To overcome the inconveniences and major financial problems presented by the flood and a recession, this group showed maturity. As in the past, this group took very little and made it into the most. I would like to thank Mrs. Helms for her patience and help over this past year. She made this year much more enjoyable than any of us thought it could be. Although we keep our memories locked in our hearts, we realize that we must accept new situations and lay new foundations. In closing, I want to sum up what the Class of 1991 did over the past year ... we overcame all adversity by Laying A New Foundation!

Black and Gold
Always!
